INTRODUCTION

About your Personal Reading

This reading was composed for you personally, Paul, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Paul, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Paul, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Paul, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Your Life Path is 22/4

Paul, you were born under the most powerful and potentially the most successful of all Life Path numbers. It offers you the extremes of life's possibilities: on one hand, you have the potential to be the Master Builder, the person capable of perceiving something great in the archetypal world and manifesting it in the relative world; on the other hand, you can slip into the depths of obscurity, achieving little more than personal support.

Your power is delicate. It exists by virtue of your ideals and vision, which you must use to inspire others to join you in your dream. Only by marshaling collective forces are you able to bring together the necessary elements -- people, ideas, resources -- that will enable you to realize your goals.

Consequently, your Life Path is one requiring dramatic evolution. By being able to integrate seemingly conflicting characteristics within yourself -- your inspiring vision and your natural tendency toward practicality, for example -- you develop the talent to deal effectively with a great variety of people. This allows you to understand and unite many differing people toward a single goal, melding them into a concerted whole. Your task in life is to unite the dream with the bottom line.

In short, you are the visionary with your feet on the ground.

You are good at business and politics. You naturally understand large institutions, and have the ability to think and act on an international scale.

You are gifted with uncommonly sound common sense. You are able to see the beauty and potential in a given idea, but also the practical methods that will bring it to fruition. Somehow, you understand the limitations of ideas -- what will work and what will not. This is an intuitive gift that can evaluate possibilities on the basis of their practicality.

While in many aspects the 22 is the most promising number, it is also the most difficult to live up to. Paul, you have a great ambition, which can be a most difficult master, driving you to accomplish all that you are capable of.

You are a steady partner in any relationship. You offer sound advice and consistent emotional support. You do not suffer from flights of fancy, and naturally resist the emotional heights. You are unconventional in thought and action, but tend to be traditional in appearance. You avoid airs and pretension.

Paul, your challenge is to share your vision and allow others to make their personal contributions. That requires flexibility on your part, perhaps your weakest characteristic. You often lack faith in the ability of others. Therefore, you tend to control people and situations, sometimes tempted to manipulate.

In the end, you must learn to surrender to the larger cause that you serve. The final result may be quite different from your original vision, but with faith and commitment you will make an enduring impact on the world.

BIRTHDAY

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

Your Birthday is 18

You are a born leader, an efficient manager, capable of organizing and inspiring others. Paul, you are especially talented in the areas of politics, religion, art, and law. You are highly creative and have an excellent understanding of people.

You are broadminded and should be educated in several different fields, particularly the arts. Many great artists are found under this number.

You tend to be a late bloomer and must be willing to take your time before choosing a profession. You need experience and exposure to many different types of people before you find the one area in which you will specialize.

You can relate to people in all walks of life. Paul, you will do quite a bit of traveling and go through many changes.

At bottom, you have a great dream for humanity. You want to improve the conditions of people, whether they are in your community, state, country, or the world at large.

This is where your deepest satisfaction lies -- with performing some task that will benefit others.

You are able to express your feelings well, though a bit dramatically at times. You have a calm and even aristocratic appearance. However, beneath it there is a sense of frustration with not having received your due in life -- either from parents, co-workers, or your community.

Your challenge is to learn acceptance and forgiveness. There is an element of sacrifice in your life. You need to let go of all negative attachments. Any thoughts of revenge will backfire badly against you. You need to employ your spiritual and philosophical outlook in all matters in which the balance seems to have been struck against you.

You attract money from all work that is service oriented. The more you do for others, the more you receive - - spiritually and materially -- in return.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Your Expression is 11/2

Paul, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Paul, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

Paul, your challenge is to bring forth your primitive, earthy strength. You need to be

grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

MINOR EXPRESSION

The Minor Expression number is based on the current (or short) name; the name you now use to introduce yourself including your last name.

The influence of the short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers (and their related characteristics) that are missing or out of balance in the full name.

For instance, a number missing in the full name may show up prominently in the short name; or a number (or numbers) that appears in excess in the full name can be compensated for in the short name. If a name change takes place later in life through marriage or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or talents that may be latent.

Your Minor Expression is 8

Your short name provides you with more leadership abilities and business sense. It encourages you to use more power in your relationships and directs you to higher standards of success.

Paul, your Minor Expression number makes you a better judge of character. You are more realistic in your evaluation of others and their potential. You are not easily fooled.

You must be willing to apply more effort toward all your endeavors. You likely demand more of yourself.

Your abilities as a manager, organizer and administrator are enhanced. You are competitive and determined. You are more likely to initiate your grander plans and visions.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Your Heart's Desire is 16/7

Paul, you love knowledge, study, and insight. You value the gifts of your mind, which you use to great advantage to penetrate the mysteries of life. You study things in-depth. You search beneath the surface of things. You abhor shallow judgments or opinions.

You have a natural gift for analysis and research. Once you have grasped the facts of a subject, your creativity and abstract approach lifts your thinking beyond the rudimentary to the philosophical. You have a theoretical mind, but rather than indulge in fantasies or idle thought, you prefer to base your theories upon scientific facts.

Paul, you enjoy mental and physical puzzles -- figuring them out, taking them apart, and putting them back together.

Some people may perceive you as cool or aloof. You are somewhat introverted; you may feel slightly removed and even a little different. The fantasy of the hermit or monk engaged in a life of study and meditation appeals to you.

In relationships, you tend to keep things business-like and impersonal. You prefer to talk about the facts of a given situation, rather than the cloudier issues of emotions and personal feelings. You distrust feelings -- both your own and those of others. The whole emotional realm strikes you as unreliable, and a bit unnecessary.

Paul, your inability to fully understand the emotional aspect of life is your Achilles heel. You are so rational that the unpredictability of the heart frightens and surprises you.

Your challenge is to trust. You need to share your heart with someone. This is a courageous step for you, but will result in enormous growth and satisfaction.

The advice here is to make a true connection with another human being. Without it, you may marry out of convenience or to fulfill social expectations, but it will not lead you out of loneliness. The more removed you are from people, the more you risk isolation, bitterness, and a cynical attitude toward life.

This choice represents a true crossroads in your development. By sharing yourself with others (without compromising your independence and need for privacy) you can cultivate your enormous charm and share your understanding of life. You are a natural teacher and advisor. And the wealth of knowledge you will accumulate in life is meant to be shared with others.

This is not to say that you must compromise on your need for privacy or time spent alone to contemplate life. These are natural aspects of your personality, which are essential to your growth. These characteristics should not be threatening to your spouse, but must be understood as fundamental to your being.

Paul, you are blessed with a great reserve of intuition, which can be cultivated by regular meditation and contemplation. Your "inner voice" is your greatest guide and friend.

You are idealistic and have high expectations for yourself. Learn to balance your serious nature with regular doses of fun.

Your intelligence and cultivation make you charming and distinguished in appearance. As you get older and more comfortable with your identity, people are naturally attracted to you. They see your wisdom, your deep understanding of life, and the refinement you radiate.

MINOR HEART'S DESIRE

The Minor Heart's Desire number is derived from the vowels of your current name; the name you now use to introduce yourself. The current name is a refinement of the more complex qualities of your longer name (the full name at birth). It sharpens and bundles the energies that are reflected by your full name. It intensifies certain aspects of your being, and de-emphasizes others. For this reason, the short name often provides insight into what you truly want in life. It also often reveals the extent of your understanding of what you want from this life. It reveals both your strong desires, and the limits you place upon your potential.

Your feelings about your current name are different from your full name. It affects how you feel about yourself; it changes your identity slightly.

Your Minor Heart's Desire is 10/1

With a 1 Minor Heart's Desire, you draw from yourself more strength and determination. Paul, you try to be more original, innovative, and independent. You value courage and the will to meet adversity head on.

You are more willing to lead, and less willing to follow. You are less easily influenced and intimidated. You are willing to stand alone and are better able to fight for what you think is right.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Your Personality is 13/4

Paul, you radiate reliability and consistency. People trust you and feel secure with your judgment. You are seen as a cornerstone of a business and are relied upon to do your work efficiently and expertly.

You have strength and respectability. You tend to dress in a utilitarian manner, concerned mostly with convention, practicality, durability, and price. You present yourself as someone who values correctness, control, and precision.

All of this stems from the fact that your most prized characteristic is your work. You want to be judged on the basis of your performance, rather than your appearance.

You are frugal and have learned to respect a dollar. You are concerned about the security of your future and those you love. However, this may appear to others as a bit too austere.

You tend to wear earth colors and conventional attire. You could benefit by putting a little flair in your dress. Wear more uplifting colors. Loosen your dress with less severe lines. If you wear a brown suit, include a bright tie or some jewelry.

You are a family person. You love the intimacy, consistency, and the security a family provides. You are a good provider and protector. But family members may take your efforts for granted.

Paul, you are a true patriot. You love your country and are an integral part of your community. Your consistency and adherence to your well-laid plans usually pays off in a comfortable and secure future.

MATURITY

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

Your Maturity is 6

As you mature, you will become increasingly concerned with the well-being of family, friends, and community. Paul, you will be drawn to the role as healer, counselor, and teacher. You have a growing ability to give comfort and sound advice to those in need.

You naturally assume the role of patriarch or matriarch of those in your care, no matter how old they are. You become more responsible and protective. You may well become involved in environmental protection, volunteer work or politics.

You are naturally idealistic and strive to realize those ideals as you grow in maturity and in personal resources.

Your careful and balanced approach to business and financial matters provides you with sound and secure success later in life. The 6 maturity number provides an outstanding financial foundation for the future.

In addition, the influence of the 6 promises an old age surrounded by loved ones.

For those who have few 6s in the chart, or none at all, this Maturity Number promises the close relationships that you have strived for most of your life.

L/E BRIDGE

The Bridge numbers in your chart are the numbers that indicate how you can make the relationship between the individual core numbers in your chart easier and more compatible. Bridge numbers have the potential to "close the gap" between the Life Path and Expression number, or the Heart's Desire and Personality number.

In this chapter we will explain what you can do to make your talents, strengths, and specific abilities (Expression number) more easily available and fitting the needs of your main lesson(s), and expected direction of growth (Life Path).

Your Life Path / Expression Bridge number is 2

Paul, be more sensitive to the needs and expectations of others. Do not rock the boat too often, but keep the peace and try to make things run smoothly. You have to use your ability to influence others with gentle diplomacy, instead of confrontations. Be more cooperative.

H/P BRIDGE

Several Bridge numbers can be found in your chart. The Bridge number between the Life Path number and the Expression number was described earlier in your reading. The following Bridge number relates to your Heart's Desire number and your Personality number. This Bridge number, the Heart's Desire - Personality bridge, explains how you can make your deeper self -- your needs and desires, your true nature -- more aligned with the part of your personality others tend to recognize when they meet you. With a little exaggeration, you could say that your Personality number is somewhat like your mask. It is the more superficial you; a protective shield and a camouflage of the deeper you. You can easily imagine how much more comfortable, and less self-conscious, the experience of life becomes when your deeper and more real you is closer and more fitting to the personality you reveal on a day to day basis.

Your Heart's Desire / Personality Bridge number is 3

Loosen up a bit. Have some fun; recharge your batteries. Be more generous to yourself. Communicate your deeper feelings without fear to those close to you. Be more creative, particularly in the areas of dancing, writing, acting, or poetry. Develop faith in yourself.

KARMIC LESSONS

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

You have a Karmic Lesson 6

Paul, you have a major issue with commitment and responsibility to others.

You have a hard time committing to marriage and other important personal relationships. You have to learn to show true emotion.

You may feel isolated and alone, but do not understand why. The reason is that very often you form relationships yet remain heavily guarded, putting up a show of emotion without truly communicating affection or care. This can make the bond between you and others superficial. You must learn to establish sincere relationships.

Paul, you will learn the importance of close friends and lasting relationships. You will learn to give and, when necessary, sacrifice. This is the one true way to true friendship and lasting love.

The effects of this Karmic Lesson are diminished if you have at least one 6 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

You have a Karmic Lesson 8

Paul, you can attract a considerable amount of money and even be a good business person, but you experience major ups and downs in your financial affairs, due largely to your lack of caution in handling your resources.

You are highly independent and do not want to be told how to do things. You have great problems with authority figures. This stems from a kind of know-it-all attitude and stubborn behavior that prevents you from knowing your limits.

You will have to work at knowing how to handle money. In all likelihood, you will attract enough of it, but it has a tendency to slip through your fingers. This Karmic Lesson forces you to learn your limitations, and the limitations of your resources.

Learn to be efficient.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

HIDDEN PASSION

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability.

Having the talent demands that you express it, that you experience this part of you, and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

Your Hidden Passion is 1

Paul, you have a strong drive to stand out. You have a great ambition and desire to accomplish. You are highly competitive and want to be the best and the first in everything you do. You are highly energetic and creative. You are capable of influencing and even dominating others. You have highly developed political skills, and can succumb to manipulation unless your ideals are high.

Ironically, there are times when you lack confidence, especially at an earlier age, but you have the strength to overcome this obstacle.

Paul, you are a survivor, a warrior, a leader. Many great athletes and politicians have this number as a Hidden Passion.

PLANES OF EXPRESSION

Each of us experiences life on four different levels: with our physical body; our mental faculty; our emotional makeup; and our intuition. Each of these areas has a specific means of perceiving information. The physical body is capable of touch, taste, pleasure, and pain. It provides us with a sense of the physical world. The mental body, like the emotional and intuitive natures, perceives the invisible worlds. Our minds deal with the world of thought. The heart, of course, is preoccupied exclusively with the world of emotion. Our feelings teach us many things about ourselves and about others. Finally, we have the capacity for direct contact with the higher realms by way of intuition. Intuitive insight comes in a flash. It is not rational -- that is the world of the mental plane -- but comes as if it were placed at the doorstep of our minds. Intuition, therefore, bypasses all effort.

These four faculties exist in all of us. But each of us depends more on one or two of them for the bulk of our knowledge. Some of us are possessed by our senses, while others live almost exclusively in our hearts, or minds.

Numerology indicates how we as individuals function on each plane.

The letters of the alphabet are divided in four categories: physical, mental, emotional and intuitive.

The proportion of each category in your name gives a good indication of which Planes of Expression are strongest in you, and which ones are weaker.

These Planes of Expression can greatly help you to understand your talents and abilities.

PLANE OF EXPRESSION PHYSICAL

Your Plane of Expression Physical is 9

Paul, you have a strong presence. You are charismatic and have a dramatic flair in your personality, which may direct you to the theater.

You are also drawn to politics, publishing, promotion, and public service -- any career that requires a certain amount of time before the public. You are attracted to doing things on a large scale.

You are a humanitarian. You are concerned about the well being of society. You have a great deal of compassion, tolerance and generosity.

You are highly idealistic and a bit of a dreamer. You are not particularly practical, however. Very often, you are not understood by others, and sometimes considered indifferent and aloof.

In some way, you want to please everyone and tend to give promises that may be impossible to keep.

If you develop your abilities, you have a significant chance to become famous.

PLANE OF EXPRESSION MENTAL

Your Plane of Expression Mental is 19/1

Paul, your mind is very sharp and quick, coming up with good and innovative ideas in a flash. You process information quickly, but tend to put it in short-term memory. You use information for a specific purpose, but forget it quickly when it no longer has any relevance to your immediate needs.

You are the proverbial quick study. You pick up information like a vacuum, and may have a facility with languages.

You are extremely original. You love moving into the frontier of any enterprise to come up with innovative methods. You are a ground-breaker.

You are witty and charming. You get bored easily.

PLANE OF EXPRESSION EMOTIONAL

Your Plane of Expression Emotional is 12/3

Paul, you are very romantic. You are highly creative and imaginative.

You fantasize about your perfect "other": a White Knight on a horse, or a beautiful princess. Your response to painful emotional situations -- especially in childhood -- was to create a fantasy world to which you escaped. You may still be doing that as an adult, perhaps to your detriment. Reality lacks the romance and excitement of your fantasies.

Paul, you can be disorderly and disorganized, however. You can be rather moody.

You likely have much artistic talent, especially in writing, acting, or singing.

PLANE OF EXPRESSION INTUITIVE

Your Plane of Expression Intuitive is 16/7

Paul, you have great intuition and insight in abstract and metaphysical matters. You seek a broad perspective on all intuitive matters. You like to provide scientific and rational support to all of your intuitive insights.

You have an inventive mind and likely have a talent as a writer or composer.

BALANCE

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their emotions, to try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

Your Balance is 3

Paul, be more lighthearted and optimistic in your approach to problems. Try to work with others toward a mutually satisfying solution. Use your considerable charm to influence the situation.

You can be extremely emotional when faced with a problem. Try to control this tendency; you need a degree of objectivity. You may become too personally attached to the solution you seek, thus failing to see that the outcome can be beneficial to all concerned.

RATIONAL THOUGHT

Your Rational Thought number reveals what can probably best be described as the way you think. Are you a practical, methodical thinker, or a dreamer? Do you frequently allow your imagination to color your perception? Are you unconventional and original in the face of a practical problem, or do you stick to proven methods?

This is the kind of information revealed through your Rational Thought number.

Your Rational Thought is 30/3

Paul, you are creative, but your thoughts tend to be scattered. You jump around inside your head without much focus. You come up with solutions that reveal an illogical approach, yet they often work.

As it applies to you, rational thinking is a contradiction in terminus. You project, interpret, and analyze your projects and problems in a manner that often leaves others flabbergasted. However, you are unbeatable when it comes to shining new and original light on issues; often coming up with unique answers.

You have this Rational Thought number in common with a number of famous and original thinkers -- and the key-word here is original -- throughout history.

CORNERSTONE

The first letter of your first name gives an additional indication to your character, particularly as to the manner in which you approach opportunities and obstacles. The first letter is called your Cornerstone.

Your Cornerstone is J

Paul, your J is for Justice. You are honest, loyal, reliable and sincere. You want to improve the lives of others. You may try too hard to please everyone. You have a clever mind and are very talented. However, you have to work at motivating yourself to make the most of your talents.

SUBCONSCIOUS SELF

Your Subconscious Self reveals how you react to demanding situations. It indicates your ability to get the most out of your talents and opportunities, especially when you face new or challenging circumstances. The Subconscious Self also reveals the areas of our character that need to be strengthened.

Your Subconscious Self is 7

Paul, you can appear indifferent to your surroundings and somewhat aloof. You are well-balanced and can survive many a stormy time. In time of trial, you withdraw within yourself finding solace and answers, in your creative and analytical mind. You may be a bit of a loner and do not easily share your feelings with others.

CHALLENGES

Each of us is born with both strengths and weaknesses. Numerology looks at life as if it were an educational process that is meant to bring out and enhance our talents, and

turn our weaknesses into strengths. This serves to complete our being.

The job of becoming whole is one in which we must face our weaknesses and consciously work to improve ourselves. There are four Challenges to be faced during our lives. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

The Challenges on your life's path provide specific lessons that you must attend to, and, in order to inspire and help you, life will place you in situations that require the specific characteristics of your Challenge numbers.

The four Challenges you are required to overcome during the course of this lifetime will influence you during different periods of your life, except for the Third or Main Challenge, which lasts from birth until death. The Challenges are fluid periods of your life, not confined to specific years so much as general periods. All of your Challenges are present at birth, like actors standing in the wings.

THE FIRST CHALLENGE

The duration of the First Challenge usually lasts from birth until approximately the age of 30 to 35.

Your First Challenge is 3

Paul, you are your own worst critic. You suppress your individuality and creativity. Each time you want to make an impression, you doubt yourself beforehand, and criticize yourself ruthlessly afterward. Your criticism of yourself is far more severe than anyone else's.

As a result, you tend to play it safe by staying on the surface, indulging in superficialities. You rarely express what goes on deep inside of you; instead, you cover up your feelings with humor or perfunctory remarks.

You often feel alone and lonely.

Paul, your fear of social interaction causes you to strain conversation by making too many jokes and forced joviality.

It may help you to find a creative outlet for your imagination, possibly through writing, painting, singing or dance.

At the bottom of the challenge is an effort to bring out your true self. You will learn to truly value your own creative talents above anyone else's judgments. This must be viewed as a process of individuation, in which you become a whole human being, independent and free of the need to conform to others.

THE SECOND CHALLENGE

The Second Challenge usually lasts until the age of about 35 to 40.

Your Second Challenge is 2

Paul, you are overly sensitive and too aware of other peoples' expectations. You suppress yourself to avoid feeling conspicuous. You can be overwhelmed by self-consciousness. You fear gossip about you. As a result, you become inhibited. All of this results in a suppression of your own individuality and uniqueness. You yearn to blend into the crowd.

You let your own feelings and emotions play too big a role. Your hypersensitivity causes fear, timidity and lack of self-confidence. And you experience unnecessary fear and emotional turmoil.

Little things seem disproportionately difficult to overcome and sometimes have a paralyzing effect. Jealousy can cause much pain and misunderstanding.

These negative aspects of the challenge actually spring in part from positive characteristics you possess, especially your acute awareness and intuition. You are an antenna for other people's feelings; you know before a word is spoken how they feel.

Paul, you lack the inner strength to maintain your own center, and try to conform to the prevailing emotional atmosphere.

This challenge makes you understanding and compassionate; you have an enormous empathy for the inner turmoil of others and can do much good for people with emotional problems.

THIRD CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward.

In short, this may be the secret to your success.

Your Third Challenge is 1

You must learn to be independent. Paul, you will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power.

You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual. This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts.

Paul, you will learn your own set of values; you will develop into an individual with original and innovative ideas.

If you have 1s in your core numbers or in your Hidden Passion this challenge will not

be as difficult to learn, or as strongly felt.

THE FOURTH CHALLENGE

The Fourth Challenge is most strongly felt during the latter part of our lives, beginning at the age of approximately 45.

Your Fourth Challenge is 1

(This Challenge is the same as the Third, as described above.)

PINNACLES

The Pinnacles are four long-term cycles, or periods, on our Life Path. Each Pinnacle represents a particular lesson we are working on. The first Pinnacle usually lasts from birth to between the ages of 30 and 35 (your specific Pinnacle periods are provided below). The middle two Pinnacles each last nine years. The last Pinnacle will stay with you for the remainder of your life.

The Pinnacles are very important. The transition from one Pinnacle to the next is always strongly felt. Your Pinnacles reveal the general conditions and events you will experience during the period. The Pinnacle describes the atmosphere, or the essential challenge you will be faced with.

You can prepare yourself for the times ahead by knowing your approaching Pinnacle number.

The transition from one Pinnacle to the next is usually prepared for approximately 2 years in advance. The latter part of that two year period is particularly strong. Paul, you will likely make some life-altering decisions -- marriage, job or career change, or any number of major changes in your character.

Perhaps the most strongly felt change -- internally as well as externally -- is the transition from the first to the second Pinnacle. This change usually takes place in your late 20s or early 30s -- the exact date depends on your Life Path number and is provided below. You begin to feel the impact of this coming change approximately two years prior. This is usually a difficult transition, but once crossed usually provides a clear sense of direction in one's life. It also gives you a much firmer sense of your identity. It is a gateway to maturity.

Your First Pinnacle (from birth until age 32) is 6

Under this Pinnacle you will be very involved with family, friends, and your community. Paul, you will face an increase in responsibilities and duties, but you have a greatly enhanced sense of balance and perspective that allows you to handle emotional issues well.

Your family demands much of your attention. Matters involving spouse and children require much security, love, and sacrifice. You are the centerpiece of your family, the

one people come to for solace and understanding. You may feel an increased burden, as you carry the cares of many. You will experience a deep sense of being needed.

This Pinnacle is full of love, closeness, and warmth, but you must rise to the challenges that close relationships bring. Paul, you must settle and bring harmony to personal conflicts between others. You are often the only one with perspective in a conflict. It is as if you are the keeper of justice, bringing understanding and compromise to situations that are polarized.

Under the influences of this Pinnacle -- especially at its outset -- people are often married or start families. Children are born, in-laws come into your life. You are the nucleus of a little world.

You must maintain your dignity. This is a period that makes it easier to sacrifice, but you can overdo it, becoming a doormat for others to step on simply to maintain a degree of peace. Know your limits and maintain healthy relationships.

This is a fine period for growth in business and financial matters. You attract people with resources who can help to further your personal goals. Moreover, you are balanced in your approach to business affairs. This can bring many rewards.

Paul, your heightened sense of harmony and your genuine compassion makes you an excellent counselor and healer, especially if you already have native talent in any of these areas.

Personal health matters can also surface, causing you to reflect on diet, exercise, and other health habits.

Your desire to help others is also increased. But this can lead you to poke yourself into situations where you do not belong, or delve too deeply into other people's personal affairs. Be careful not to meddle or interfere.

The 6 Pinnacle is a time of progress and growth as a full human being. You are capable of developing yourself in many different directions -- as a loving mate and parent; a sound businessperson; and as a pillar of your community. The time requires the balance you possess, since you can easily stretch yourself in too many directions and ultimately feel burned out by the demands in your milieu.

Your Second Pinnacle (from age 33 until age 41) is 7

This is a period of inner development and soul searching. Paul, you will deal with the deeply important questions of personal existence and the meaning of life. You will need time to be alone to contemplate your inner world. This is a time of spiritual growth. You will experience a heightened sense of faith. The power of the universe will be the force that carries you along.

You have an enhanced appreciation of poetry and nature. Walks in nature provide great therapeutic value and spiritual nourishment.

This is a time of specialization. You will pursue some course of development with fervor and focus. Your ability to concentrate will be greatly increased. Paul, your desire to study in all forms -- reading, self reflection, and contemplation -- will reach an all-time

high. Your intuition is much more sensitive, making your path a little easier and more direct, since you know intuitively the appropriate next step.

Under this Pinnacle, you will become an expert in one particular field. Your capacity to penetrate the depths of a subject area is enormous. You will look below the surface in virtually everything you encounter. It is very possible that you will find yourself in a teaching role.

You must consciously work on your closer relationships, especially with your spouse and children. You must explain that your desire to turn inward is not an escape or an avoidance of those you love, but a deep need for knowledge.

During this 7 Pinnacle, spiritual growth, increased knowledge, and wisdom are the big rewards. The 7 Pinnacle provides the basis for contentment in older age, because you now begin to understand life more deeply.

Paul, your challenge is to avoid becoming critical or cynical of others. You can become so withdrawn from society that you look down on others. You may forget that you, too, are part of the imperfect human race. Sarcasm is the lowest form of communication, and a trap you could fall victim to.

Your desire to attain some high degree of perfection is sincere. But that pursuit can make you miserable if you lose perspective and fail to realize the relativity of human existence. Perfection is a Utopian goal, but an unrealistic ambition. It can cause you to be dissatisfied with yourself and others.

The 7 provides the possibility of true refinement, insight, and a high degree of wisdom. This deep understanding is the basis for self-love and true happiness.

Your Third Pinnacle (from age 42 until age 50) is 4

This is a Pinnacle of hard work and many rewards. Paul, you have the opportunity to build a foundation that will last. Your abilities as an organizer, manager, or simply the rock of any institution are greatly increased. You are dependable and reliable. Your ability to fulfill responsibilities is likewise enhanced.

As a result of your industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many rewards, there are also many frustrations. Paul, your sense of your own limits and the consuming nature of details may at times seem overwhelming.

You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster, or happen with greater ease.

The need for efficiency, orderliness, and methodical systems limit your creativity.

Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to

be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

Your Fourth Pinnacle (from age 51) is 4

(This Pinnacle is the same as the Third, as described above.)

CYCLES

Like most stories, there are three great divisions of our lives: the First, or opening period, finds us groping to find our true nature; at the same time, we are trying to cope with the powerful forces that are present in our environment, our parents and the socio-economic conditions of our family, for example. The Second Cycle, or middle period of our lives, brings about the slow emergence of our individual and creative talents. The initial part of this cycle -- the early and mid 30s -- represents a struggle to find our place in the world, while the late 30s, 40s, and early 50s, sees us with a greater degree of self-mastery and influence over the environment. The Third, or final Cycle, can represent a flowering of our inner being, such that our true nature has finally come to fruition. It is during this period that one has the greatest degree of self-expression and power.

Your First Cycle (from birth until age 32) is 6

A time of family, responsibility, and duty. The issues of commitment, marriage, and family all come into sharp focus. When the commitments are made and one responds lovingly and with acceptance, this is a period of much harmony and support. You are greatly needed by those around you. You will be loved and appreciated. This is the best cycle for marriage. In the same way, partnerships go well and much progress is made from joint activities. Conversely, if commitments are not deeply made or are broken, separation and divorce often occur. Any artistic talent you possess will surface and new opportunities for self-expression will present themselves. Paul, you are also under very supportive influences for starting a business. This is a time of progress through flexibility, cooperation, and compromise.

Your Second Cycle (from age 33 until age 59) is 9

This is a period in which a broad view of humanity and a sincere concern for the well being of others will be developed. Tolerance, acceptance, and universal love are the goals of this 9 Cycle, and while such perfection will not be fully achieved, the person under this influence will grow toward these ideals. Humanitarian principles and social service are the keys to personal happiness. All work directed toward the improvement of the general welfare will bring great personal rewards, as well. Hard work directed toward

higher ideals is rewarded. Creative talent is also enhanced, especially when it is joined with some larger social purpose or message. There is an element of sacrifice or letting go, as one is asked to forgive past grievances and let go of negative attachments. The person is being asked to live according to a higher ethical standard, with much spiritual and personal enrichment as his reward.

Your Third and last Cycle (from age 60) is 7

A time to specialize, a time to think deeply and contemplate the deeper questions of life. Study a subject you enjoy in depth. Paul, you are attracted to the fields of science, technology, philosophy, and metaphysics. Become an expert in a specific area. You have excellent intuition and a mind that can penetrate beneath the surface of any subject you commit to. Focus your energies and thoughts. This is a period of inner development. Meditation, contemplation, and self-reflection are means of inner enrichment. Develop wisdom. Relationship may seem burdensome at times because of the desire to spend time alone. There is some resistance to sharing your deeper feelings with others. The inner life is so compelling that you will want to immerse yourself in it. Share the knowledge you accumulate by teaching, counseling, or simply talking to others.

TRANSITS

The Transits are the individual letters of your name that combine to form the Essence, which is the number that reveals a great deal about your year ahead. Your name can be seen as a piece of music that vibrates in time. Each note, or letter, has a specific duration and influence over the course of your life. Paul, your life, therefore, can be seen as a musical score, with the individual letters making specific contributions at given points, just as notes in a musical piece are played at specific points to give a piece of music its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

THE PHYSICAL TRANSIT

Your Physical Transit for age 61 is A

Paul, you have a mental approach to practical matters. This is a period of change, activity, progress, and creativity. The letter

A adds independence and leadership to your personality. There can be quite a bit of travel and possibly a change of residence.

You can expect promotion and opportunities. There may also be a real breakthrough in your awareness and perspective of life.

Your Physical Transit for age 62 is M

This is a time for hard work and a practical approach. You may appear reticent which can create distance between you and those who are close to you. Make an effort to express your feelings to those close to you. Relationships may be demanding and require more sacrifice. Think carefully before making important decisions. Do not be impulsive and don't let your mood-changes influence your direction. Take your time!

THE MENTAL TRANSIT

Your Mental Transit for age 61 is P

Many unexpected events take place during this period. It is a time in which you feel less in control. Do not take any unnecessary risks. Paul, your reflexes are not as fast as usual. You may experience confusion and disappointment in relationships. You have difficulty expressing yourself during this period. This is a time to focus on spiritual development. There will be recognition for your skills and talents, possibly resulting in a promotion or business success. But this is more a time for spiritual growth, than financial.

Your Mental Transit for age 62 is P

(The Mental Transit for age 62 is the same as that for age 61, as described above.)

THE SPIRITUAL TRANSIT

Your Spiritual Transit for age 61 is N

Paul, you will have opportunities to expand your horizons. There will be adventurous experiences and travel. A change of residence is very possible. This is a dynamic time with many new activities. You will make some important social contacts. You search for love and fulfillment. Sacrifice, adaptability and flexibility are called for. You will also be concerned with finances and may worry too much about these matters. You tend to be forgetful during this time. You will also feel more sensual than usual. Physical exercise is important during this period.

Your Spiritual Transit for age 62 is N

(The Spritual Transit for age 62 is the same as that for age 61, as described above.)

ESSENCE

The Essence Number and the Personal Year Number are the two essential indicators of the forces that will influence your life during the course of any year. While the Personal Year runs from January to January, the Essence is most strongly felt from birthday to birthday. For example, if your essence number is 8 for the year 1988, you would begin to feel the influence of that 8 most powerfully after your 1988 birthday. The

influence would begin to wane during 1989 and would finally end at your birthday of 1989.

The Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year, that is, which types of behavior will be supported by your milieu, and which ones will be less effective.

Your Essence at the age of 61 is 13/4

This a period of much work, attention to detail, and advancement in your career. Your rewards will be directly proportional to your effort. Much will be demanded of you, but you now have the opportunity to lay a sound foundation for your life.

Paul, you must be orderly and disciplined. Attention to detail in all areas -- especially in personal finances and business -- is a necessity. Your workload will likely increase. Only through the correct management of time and resources will you be able to apportion your energies correctly to meet the increased demands made of you.

You are now being trained in the ways of the world, and only sound practical management will bring you the results you desire. Any flimsy or unsound business practices will likely bring trouble and increased work for you. Only by dealing with reality -- that is, by facing situations exactly as they are, and not how you might like them to be -- will you be able to find the correct path to success.

Avoid feelings of restriction or limitation. Be economical in all your expenditures. Be sure to care for your health. Maintain a healthy diet and follow a sound exercise routine. Pay attention to preventive health methods and get the rest you need. But know when to allow yourself some breathing room. Be moderate in all things, including moderation. Balance is the key to this period.

In-laws and family members can be demanding during this period. People see you as a rock of stability and are naturally attracted to you for support. Be helpful without allowing yourself to be used.

You are being called upon to work hard and establish a firm foundation upon which your life will rest for many years to come.

Your Essence at the age of 62 is 16/7

There are edifices of thoughts and behavior patterns that keep us from experiencing our true natures and the deeper happiness within. By some great benevolence of the universe, these edifices collapse from time to time. Paul, you are now in one of those benevolent periods.

This is the proverbial dark night of the soul. You will find many things not working out as you had planned. There can be many unexpected, turbulent, and shocking events. There are debts to be paid that may seem unduly harsh or imbalanced. The time is confusing and you may feel that you have lost direction entirely.

Your challenge is to surrender to the larger forces that now seem so threatening. Let the transformative powers redirect you. This is the surest path out of the confusion that now dominates your life.

The 16 Essence is very like a storm that seems, on the surface, to be knocking down buildings, but is in fact rearranging your life so that you emerge healthier and happier than before.

The 16 Essence usually does not last long. You will find yourself on much sounder footing and in much better circumstances once it passes. You are experiencing the night that will surely bring the dawn. And with it comes a new life.

Part of the lesson you are learning is gratitude. Take time to truly examine everything that has been given to you. You are overlooking the love in your life, the talents you have been given, the good things that have been added to your life without your acknowledgment. There is something of a blind spot in you that has brought about the current period of confusion. Now is a time to self-reflect and to truly take stock of your life. Gratitude is one of the keys to a healthy transformation. Offer thanks to the Universe for all that has been provided you.

This is an act of true magnanimity because you likely feel that you have been treated unjustly by the greater forces. But such thinking is a delusion that has blinded you to your true nature and destiny. Open your heart. Accept that your vision is not of the infinite, but of the relative world. Accept that the infinite is guiding you lovingly and toward higher planes of consciousness. Surrender to the greater forces. This will cause you to open up to the higher planes and allow them to guide.

Now is a time to develop faith. The power of faith can help you feel secure in the midst of change. Faith allows you to feel that you are heading in a good direction, even when you do not know what that direction is. Faith is the key to your happiness now.

Meditate, pray, do regular spiritual practices. Take care of your health with sound diet and exercise programs. Try to eliminate all unhealthy attitudes and practices. Live a more enlightened inner life. Trust.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Paul, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

Your Personal Year for 2003 is 2

Paul, this is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined.

You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal.

You may experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans.

This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Paul, your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even life long relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Your Personal Year for 2004 is 3

This is a year of expansion and personal growth, Paul. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events.

More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that

requires discipline and focus.

It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

Paul, you may travel more than usual, which in all likelihood will be filled with exciting people and pleasure.

Control this year's tendencies towards glamour and extravagance, yet allow your self more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

Love is in the air.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

PERSONAL MONTHS

Your Personal Month for February 2003 is 4

Paul, February is a 4 Personal Month in a 2 Personal Year. You will realize early this month that progress depends upon your willingness to work diligently and remain focused on details.

You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going.

Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

This is an excellent month to improve your financial position, particularly through better management. Through your consistent and patient effort, a raise or profitable business deal is also in the cards.

Relationships tend to be a little shaky for most of this month. Paul, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

Your Personal Month for March 2003 is 5

Paul, March is a 5 Personal Month in a 2 Personal Year. It brings some relief from last

months' frustrating efforts to persuade others and to keep track of the details.

This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way.

The expression "being in the flow", is instructive for most of this month and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good.

A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance, but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

Your Personal Month for April 2003 is 6

Paul, April is a 6 Personal Month in a 2 Personal Year. Matters of the heart come to the foreground.

Romance is now at the top of your list of opportunities.

On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

Paul, your family and friends need more attention and you will likely find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

Your career is guided favorably by the Force. There is an increase in your workload and responsibilities due to a promotion -- or one that may be in the offing. The change may well bring financial rewards.

This is a good time for finances, particularly those related to real-estate.

Your Personal Month for May 2003 is 7

Paul, May is a 7 Personal Month in a 2 Personal Year. The combination leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your own existence, your purpose in life, and your direction.

You find yourself taking time off to read, meditate. Your interests are spiritual, not

worldly. It's an excellent time to take a vacation, as long as you avoid group-activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that have little to do with intellectual effort, but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious.

Be particularly alert to your dreams and the direction and insight they offer.

Your Personal Month for June 2003 is 8

Paul, June is an 8 Personal Month in a 2 Personal Year. Now the time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends; and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable, but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate.

Leave such issues alone for now. The domestic scene is better handled next month, when all dealings with relatives are easier and smoother.

Your Personal Month for July 2003 is 9

Paul, July is a 9 Personal Month in a 2 Personal Year and is both emotional and demanding. This is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. Actually, this is a testing period for relationships in all areas of your life. The 9 and the 2 combination -- both diplomatic, sensitive, and service oriented -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your own needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and/or material packrat. This is the time to empty your cup in order to make room for new gifts coming your way.

This is a transition period. Paul, you will likely experience deep emotions, even

nostalgia and melancholy. At times, you may feel exhausted. Yet, such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level.

You are not entirely conscious of all that is happening, and consequently you may not be able to express your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself and your sacrifice will actually help you achieve stability and inner strength.

This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

This is a month that requires balance: you are feeling emotional yourself, but at the same time you must also focus on the needs of others. If you indulge too much in your own feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your own needs and service to others.

Your Personal Month for August 2003 is 1

Paul, August is a 1 Personal Month in a 2 Personal Year. It brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm.

Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

Paul, you likely will be introduced to new people and, if you are not already involved, one of them may evolve into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Your Personal Month for September 2003 is 2

Paul, September is a 2 Personal Month in a 2 Personal Year. The number 11 -- referred to in numerology as a Master number, and therefore highly charged, sensitive and intuitive -- is also prominent in your life now. You are extremely perceptive.

Dreams are full of insight, and seemingly irrational and creative ideas should be

examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of mole hills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Your Personal Month for October 2003 is 3

Paul, October is a 3 Personal Month in a 2 Personal Year, and you need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects that are favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure, but avoid stressful situations this month.

Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Your Personal Month for November 2003 is 4

Paul, November is a 4 Personal Month in a 2 Personal Year. It's definitely time to get down to business, to focus on work, and finish anything that's been left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture?

You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success.

The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Your Personal Month for December 2003 is 5

Paul, December is a 5 Personal Month in a 2 Personal Year and brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself.

You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up to you to prevent them from slipping by.

Paul, your love relationship is in a vulnerable state and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

Your Personal Month for January 2004 is 4

Paul, January is a 4 Personal Month in a 3 Personal Year and offers opportunities for progress in your career. You are inspiring and motivating to yourself and others and know how to express your ideas. Your creativity is enhanced. You find original solutions and manage to implement them. Your co-workers and superiors are impressed. You are optimistic and light-hearted this month which further enhances your work situation.

However, you will have a tendency to be impulsive and may find yourself with your foot in your mouth. Make sure you have the information to back up any claims. You also may have a tendency to procrastinate, which can spoil opportunities and damage your career.

This is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house, or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

Your Personal Month for February 2004 is 5

Paul, February is a 5 Personal Month in a 3 Personal Year. It will bring changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected

trip.

Carefully prepared plans confront the unexpected: events and people you had not expected. Those who are flexible and not afraid of changes will enjoy this month, but those who rigidly try to stick to expectations and refuse to adapt will experience a difficult time in which almost nothing works out, no matter how hard you try.

This is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible, and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. Paul, you are open and childlike and for that reason very attractive to the opposite sex.

A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

Your Personal Month for March 2004 is 6

Paul, March is a 6 Personal Month in a 3 Personal Year. It brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible, since the theme of this month is commitment to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships.

Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.
